**Setalg**  
France

Setalg is the leading French company specialized in natural marine ingredients and private label cosmetics since 1985.

Its exclusive natural range (rinse off and peel off masks and wraps, marine muds, clays, bath salts, scrubs...) is appraised for its high quality.

Setalg offers 3 types of products: peel off and rinse off bases, standard formulations and customized products.

Setalg's unique know-how translates into precise product customization by adapting textures, actives, ingredients, colours and fragrances to suit any specific request.

Products can be delivered in bulk or in customized individual packaging.
